2014 1st Quarter Newsletter

Erin & Geza ventured out on Reel Capture in early January with crew Michelle, Dick & Kevin. We had a great day out on the water & came home with a Yellowfin Tuna, Geza's shark & a few Wahoo as well. Had way too much fun with these guys!

If you are thinking of escaping the cold this winter, make sure that you drop us an email as we have quite allot of bookings over winter. We would be disappointed if you missed out on your fishing trip!

NEVAGIVUP CLAIMS VANUATU JUNIOR 24KG DOGTOOTH TUNA RECORD

Congratulations to 11 year old Hayden Curtis for landing a 31.5Kg Dogtooth Tuna on 24kg Line Class on the 27th of April 2014. After a 30 minute fight and with the guidance of Russ on the Deck and Captain Charles Wheeler, Hayden's eyes just about popped out of his head when the fish was hauled into the boat. Well done Hayden on a fantastic effort & your dad is jealous!

REEL CAPTURE CLAIMS VANUATU LADIES 24KG WAHOO RECORD

On the 22nd of January Jay Simmons & his wife ventured out with Captain Richard and got amongst the Wahoo. Jay's wife landed herself a nice 26.5Kg Wahoo on 24Kg Line Class. Unfortunately we do not have a photo as we were away at the time! Congratulations to the Simmons, job well done!

Over the last few months we have had a small run of Yellowfin Tuna and the main run of Yellowfin Tuna is due to start in the next few weeks. There has also been lots of Wahoo, Dogtooth Tuna and in the last 2 weeks Sailfish have arrived on the inshore grounds. For our clients that have ventured out wide, they have been encountering Blue Marlin up to 200Kgs!

Thank you to everyone that has fished with us over the last few months. It has been a pleasure to take you all out fishing and we look forward to welcoming you back to Vanuatu!
